Re: **CC Docket No. 96-45, FCC 97-419, DA 05-143:** Petition for
Designation as an Eligible Telecommunications Carrier

Dear Ms. Dortch:

Attached for filing with the Federal Communications Commission (“Commission”), please find a copy of the “Second Revised Narrative Description” to supplement the revised Exhibit 1 of the Petition of Southern Communications Services, Inc., d/b/a SouthernLINC Wireless¹ (“SouthernLINC Wireless”) for designation as an Eligible Telecommunications Carrier (“ETC”) in the rural areas of its licensed service territory in the State of Florida (“Petition”). SouthernLINC Wireless filed the Petition with the Commission on September 14, 2004, the revised Exhibit 1 on January 12, 2005, and the original narrative description on January 21, 2005. SouthernLINC Wireless filed a revised narrative description with the Commission on February 22, 2005. The Second Revised Narrative Description that SouthernLINC Wireless is filing today replaces in their entirety the January 21, 2005 original narrative description and the February 22, 2005 revised narrative description.

¹ Since the original Petition was filed, SouthernLINC has undergone a name change to SouthernLINC Wireless. As a result, Petitioner requests designation in the name “SouthernLINC Wireless” and not in the name “SouthernLINC” as indicated in the original Petition

As indicated in its Reply Comments filed on March 1, 2005,² SouthernLINC Wireless amended its Petition and withdrew its request for ETC designation in the service area of Quincy Telephone, including the areas where SouthernLINC Wireless provides service, rather than seeking redefinition of Quincy Telephone's service area.. In that filing, SouthernLINC Wireless also requested that the rate centers of Sanderson, Live Oak, Luraville, Wellborn in AllTel Florida's service area, the rate centers of Blountstown and Dowling Park in GTC-FL's service area, and the rate centers of Monticello, Tallahassee, St. Marks, Panacea, Sopchoppy, Crawfordville, Madison, and Cherrylake in Sprint – Florida's service area be excluded from SouthernLINC Wireless's ETC designation service area.

Although SouthernLINC Wireless has service capabilities throughout portions of the service areas of AllTel Florida, GTC-FL and Sprint-Florida, in lieu of requesting redefinition of their service areas to include only those areas in which SouthernLINC Wireless has service coverage capabilities, by this filing, SouthernLINC Wireless hereby amends its Petition and respectfully requests that the service areas of AllTel Florida, GTC-FL and Sprint-Florida be withdrawn without prejudice from SouthernLINC Wireless's ETC designation service area. In addition, SouthernLINC Wireless also respectfully requests that the service area of Northeast Florida Telephone be withdrawn without prejudice from its ETC designation service area. As such, at this time, SouthernLINC Wireless seeks ETC designation only in the service area of GTC-Alabama in Florida.

The attached Second Revised Narrative description for revised Exhibit 1 indicates the changes SouthernLINC Wireless is requesting. A list of rate centers, by rural incumbent local exchange carrier, in which SouthernLINC Wireless is seeking designation as an ETC in the State of Florida is also included.

² See *In the Matter of Southern Communications Services, Inc. d/b/a Southern LINC, Application for Designation as an Eligible Telecommunications Carrier in the states of Alabama and Georgia*, Reply Comments of Southern LINC, CC Docket No. 96-45 (filed Mar. 1, 2005) ("Reply Comments").
